

# Nisha Sharma

AI & Digital Portfolio

# Introduction

## *About me*

AI & Digital Professional with practical experience in AI Content Writing, Prompt Engineering, AI Image Generation, Presentation Design, Lead Generation, Data Entry, and Research. Passionate about creating high-quality AI-powered business solutions and digital content.

## *Personal projects*

I have completed multiple practical projects including blog writing, AI-generated visual portfolios, business presentations, lead generation databases, resume and cover letter creation, prompt engineering case studies, and digital marketing research. These projects demonstrate my creativity, problem-solving skills, and ability to use AI effectively.

# Education & Training

## Self-Learning & AI Tools Training (2025–Present)

Practical learning through ChatGPT, Canva, Google  
Workspace & AI tools
